Dear Prof. Surjya K Pal,

We are pleased to acknowledge the successful completion of the project titled "**Design Review of the Automatic Kitchen System**", sponsored by Yuvya India Private Limited and conducted by the Centre of Excellence in Advance Manufacturing Technology (CoEAMT), Indian Institute of Technology Kharagpur.

The project, conducted over a duration of four months from September 2024 to December 2024, was carried out under the expert supervision of **Prof. Surjya K Pal** and **Prof. Partha Pratim Chakrabarti**. We also commend the efforts of the dedicated team of research scholars **Mr. Souvik Karmakar (ME)**, **Mr. Rishabh Swarnkar (ME)**, **Mr. Ananta Dutta (ME)**, **Mr. Gaddam Kranthi Kumar (ME)**, and **Mr. Avishek Mukherjee (ATDC)**.

The weekly discussions with the CoEAMT team and their valuable suggestions were instrumental in refining and finalizing the design of the robotic kitchen setup. The project has been completed within the agreed timeline, and we are highly satisfied with the quality of the deliverables provided by the CoEAMT team.

We deeply appreciate the dedication and professionalism demonstrated by the CoEAMT team throughout the course of this project. It was a pleasure collaborating with CoEAMT, and we look forward to exploring more opportunities for joint projects and collaborations in the future.

Thank you for your exceptional contribution.

Regards,

Budhaditya Bhattacharyya
